

# Arsentii POLTAVCHENKO

## POWERCODERS PARTICIPANT | BACK-END DEVELOPMENT

### PROFILE

After a recent career change, a startup Project Manager is looking for an opportunity as a Back-end Developer. With experience working in a development team, I am eager to improve my coding skills and gain hands-on experience in challenging projects.

### HOBBIES

#### DIY electronics

I like the variety with which various electronic components can be used to bring benefit or aesthetic pleasure. It develops my creativity.

#### Video Games

Strategy games relax me and help me think big, ahead, effectively, and notice problems in small details.

### IT SKILLS

**Intermediate** HTML, CSS

**Beginner** JavaScript, Java, Golang, Apex
